## 10 SHORTENING COURSE

In addition to the provisions of RRS 32, the race committee may also signal a shortened course by displaying flag F with repeated sounds at a rounding mark or gate. On this signal boats shall round the mark or pass through the gate as required to sail the course, and thereafter proceed directly to the finishing line. This signal shall be made before the first boat reaches the mark or gate and shall continue to be made until all boats still racing have passed these marks. This changes RRS 32.

C) The following is added to Sailing Instructions **14 SAFETY REGULATIONS**:

### 14.3 [DP] TALLY SYSTEM

Each boat in the classes below will be issued with a Tally number at registration:

- Optimist
- Tera
- ILCA 4
- 29er
- 420

A Tally-board will be placed on the ground floor at FBYC. Competitors in these classes shall remove their boat's Tally from the Tally-board before launching and return their boat's Tally to the Tally-board within 20 minutes of returning to shore on each day. Failure to comply with this rule will result in a penalty.
